

It all starts with a
NESCAFÉ®

Introducing Spectra 2.0

Spectra
Double Option

Spectra
Triple Option

Taste

Indulge your guests with a beverage that comes with a perfect balance of strength and aroma.

Quality

Our products are made from carefully selected raw materials – including green coffee beans and liquid milk – that are put through stringent quality checks.

Efficiency

Our solution offers operational efficiency, delivering perfect consistency cup after cup and a faster dispensation system.

Design & Maintenance

We offer a sleek and ergonomic design with a small footprint and a solution that is easy to maintain.

Electrical Safety

Our solutions comply to global CB Certification criteria to ensure electrical safety.
